

Fee Structure 2018: 18 months - 3 Years old.

Please see the fee structure below, along with offers for early payment and additional costs for 2018.

In 2017 LCH went through an audit to determine profitability based on operational costs. It was determined that the toddler fees needed to be adjusted as the student to teacher ratio is substantially higher than the ratio in the 3 - 6 age group classes. The cost of toddler materials and equipment is also higher. Based on this research the fees have been adjusted (in the kindest way, while allowing to employ the highest standards for the school).

A once-off property maintenance fee of R4 000.00 will be charged for each family in the toddler group and will help to cover the following costs:

All materials: nappies, sunscreen, toilet paper, sanitisers and wipes, plus any other cleaning materials required for the running of the school;

Stationery and equipment including paper, art equipment, crayons and Montessori pedagogical equipment; maintenance of the property especially the gardens, grassed areas and pools and includes maintenance of security in terms of the further installations of cameras, the maintenance of the gate, insurance, fire and hazard safety and any further steps that may be required over the course of the next couple of years, to ensure the schools compliance.

The improvements and continued maintenance of this property is all important in striving to have a school of excellence and beauty, where your children can grow and be safe, not just for this year and the next, but in the future, to be shared by all who attend.

Please see below the school structure for 2018, and note the special discounts offered for early settlement:

2018:
